Youth Bible School

PURPOSE AND MISSION

The purpose and mission of this Bible School is to provide teaching and instruction in a controlled environment to those young people who are serious about their relationship with Christ. We desire to provide an atmosphere with the least amount of distractions possible for the learning and growth of each student. We don't expect every student to have the same relationship or experience with Christ. However, we do expect each student to be willing to learn and to be compliant to the standards of the Bible School.

We will evaluate each application and send a confirmation if accepted, and if not accepted, we will send an explanation.

Registration for the students will begin at 8:00 AM Monday morning.

The schedule is full of teaching, prayer, sharing, and singing. We will have a revival service each evening except Wednesday and Saturday evening. Sunday evening will be a program with the student chorus singing.

The students will be supervised throughout each day and evening. The local church families will provide lodging for all the students.

In an effort to provide the best atmosphere for growth, development and learning we have a few guidelines we feel are pertinent to mention in this application:

1. No student may leave the premises without permission from a principal except in the evening to return to your host family.

2. Students will be expected to attend all sessions.

3. Modest attire is required that conceals the form of the body. Thus modesty without question is the expression.

a. Young Ladies:

We ask that the young ladies wear a dress or skirt without slits and a loose-fitting second layer (jumper, cape dress, vest, or something similar). We also ask that the young ladies wear their hair up and prefer they wear a head covering.

b. Young Men:

We ask that the young men do not wear T-shirts, blue jeans or any other comparable casual clothing.

4. We request that you do not use cell phones on the school grounds, except in an emergency. If you need to make a call during school hours, please obtain permission from a principal or a matron. This would include texting and any other social media activity.

5. The Bible School will plan no other extracurricular activities and we encourage students to not engage in activities that would be a distraction from the purpose of Bible School.

2018 QUESTIONNAIRE

All students are required to complete this section.

In our application, we explain that this Bible School is open to those individuals who are serious about their pursuit of Christ. Following are questions we would like you to answer on a separate page as part of this application. This information will be kept confidential to the Bible School Administration.

1. Have you been born again, and if so, how has it affected your life?

2. The Christian life is a continual growth process. How have you grown and how has your relationship deepened with Christ in the recent past?

3. How has this growth in Christ affected your relationship with your human authorities? Please explain.

4. Distractions in the Christian life are a tool of Satan to deter us in our pursuit of Christ. What distractions have you eliminated from your life? What methods have you used to eliminate these distractions? What distractions would you like to eliminate in the future?

Your signature below indicates that you have read and understand the Purpose and Mission of the Bible School with the guidelines and expectations as outlined above. It also indicates that you are willing to be under the authority of and take direction from the administrators, principals and matrons during the week of the Bible School. You agree to submit to their discernment and expectations in matters of question, especially concerning dress, behavior and attitude. By signing and returning this application you agree that you are serious about your relationship with and pursuit of Christ. For this we rejoice! Thank you for your commitment to Christ and for taking the time to fill out this application.
